[Artists Sunday](#) is November 29, the Sunday after Thanksgiving.
Shop art and give something handcrafted this holiday.

QUOTE OF THE DAY

"These are times in which a genius would wish to live. It is not in the still calm of life, or in the repose of a pacific station, that great characters are formed. The habits of a vigorous mind are formed in contending with difficulties. Great necessities call out great virtues." – Abigail Adams

"We relish news of our heroes, forgetting that we are extraordinary to somebody too." – Helen Hayes

"Prepare for the unknown by studying how others in the past have coped with the unforeseeable and the unpredictable." – George S. Patton

"I didn't learn until I was in college about all the other cultures, and I should have learned that in the first grade. A first grader should understand that his or her culture isn't a rational invention; that there are thousands of other cultures and they all work pretty well; that all cultures function on faith rather than truth; that there are lots of alternatives to our own society. Cultural relativism is defensible and attractive. It's also a source of hope. It means we don't have to continue this way if we don't like it." – Kurt Vonnegut

"I went into a clothing store, and the lady asked me what size I was. I said, 'Actual'. I'm not to scale." – Demetri Martin
